

Medical Review Officer

May 2009

The functions of a **medical review officer** create insurance challenges.

- **Professional Liability** insuring companies regard the functions of an MRO to be within the scope of patient care and protection is provided.
- **Indiana Medical Malpractice Act**
Protection, however, may not be insured under the scope of the Act.
- **General Liability**
Some activities of the MRO may lead to a General Liability.
- **Tele Medicine Healthcare**
Refer to this item in the professional library.

Consult with your attorney.
